Are you ready for Career Tech?

Please circle the answer which honestly fits the way you feel about each question.

1. Does your idea of having fun at school include tearing computers apart and figuring out how it all goes back together?

- a. Yes! b. Maybe, if somebody showed me how. c. Not really. d. Never.

2. How do you handle being given direct orders in a crisis situation?

- a. I can do what I'm told in a crisis. b. It's difficult for me, but I'm willing to try.
c. I just shut down and zone out. d. I go all ballistic when somebody tells me what to do.

3. How important is it to you to become familiar with high-tech operating systems, software, and the latest computer components and peripherals?

- a. That's why I want to be at this school. b. It might be if I knew what you were talking about.
c. I don't really care one way or the other. d. Not at all.

4. Can you live without wearing a hat in class?

- a. If it's company policy, I'll take off my hat. b. I don't want to, but I will.
c. It will be a problem. d. No way will I take mine off.

5. Are you willing to consider Career Tech as a job instead of as a school and practice workplace readiness skills (clocking in on a time clock, calling in when sick, arriving ready to start working)?

- a. I understand Career Tech is a simulated workplace and I have work-related responsibilities.
b. It's going to be hard to get used to, but I will try.
c. I don't really think it makes sense.
d. I think it's a stupid idea to pretend this is a job.

6. What would you do if you were in a busy classroom and you completed your work and you weren't sure what you were supposed to do next?

- a. I would immediately go find a teacher and ask for help getting started on a new assignment.
b. I would probably look for a teacher, or go see what other students were doing.
c. I would sit quietly until someone noticed I needed help.
d. I would kick back and chill, go surf the net or go take a break downstairs.
