3. Elevated Levels of Lead in Water Used for Drinking or Food Preparation

All school districts, education service districts, and public charter schools are required to test for and eliminate exposure to elevated levels of lead in water used for Drinking and Food Preparation through either remediation or eliminating access, according to OAR 333-061-0400 and OAR 581-022-2223. In conformance with those administrative rules, Career Tech certifies the following:

1. All testing was done according to the testing requirements in OAR 333-061-0400;
2. All samples were analyzed by a lab accredited by Oregon Health Authority to test for those materials;
3. All water fixtures required to be tested under OAR 333-061-0400 were tested for elevated levels of lead in accordance with the testing schedule developed by the Oregon Health Authority; and
4. The testing schedule for each building covered by this plan is set forth below:

Facility Name	Year of Last Test	Next Scheduled Test (Beginning or 6 year schedule)	Schedule or Exemption Reason
Career Tech HS	2016	2023 fiscal year	6 year schedule

4. Lead Paint

In order to comply with the United States Environmental Protection Agency's Renovation, Repair and Painting Program Rule, Career Tech will either contract only with certified lead based paint renovation contractors licensed by the Oregon Construction Contractors Board, or use agency staff that are certified by the Oregon Health Authority to perform the work.

5. Asbestos

Career Tech complies with the federal Asbestos Hazard Emergency Response Act (AHERA). All required asbestos management plans are available for viewing by submitting a request to Lila Bradley.

6. Radon

Career Tech High School has developed a radon plan as required by ORS 332.167. Community members can access a copy of the radon plan at the school's website: [Radon Plan](#). Radon Test results will be made public and are also available at: <https://careertech.us/about/public-reports/>
