-Worksource Center	
<b>TEACHER COLLABORATION</b>	
-Need: Communication/Time	
-Positive:	
Student more on track, engaged, plan is clear	
Staff communicating w/ students	
Communication w/students works	
<b>CHALLENGES</b>	
-Ways to check in on student progress/updates	
Sharing information about where to find info.	
This can help parents help students with opportunities.	
Website/e-mail/texts/newsletter/app	
Sharing info with media outlets	
School can be more focused on outreach	
Ask for best mode of contact.	
-Barrier - student focus - getting off task	
Communicating/socializing at certain times (break)	
Home room period - 15 minutes of socializing.	
(Allowance 7:45 - 8:00 & 12:45 - 1:00 as social times).	
Break up the 3 hours to move around.	
<b>POSITIVES OF CAREER TECH</b>
