

## **Student Advisory Board Application**

Students selected to participate on the Student Advisory Board should be dependable, be willing to share their own ideas as well as listen to the ideas of others and want to develop leadership skills as they work collaboratively with others. The Student Advisory Board will consist of 5-6 students and will meet 1-2 times a month to focus on issues related to school improvement and school events. Please apply if you are interested in sharing your ideas about Career Tech!

### **1. Why do you want to join the Student Advisory Board?**

**2. What qualifications and experiences do you have that will assist you as a Student Advisory Board member?**

**3. On a Student Advisory Board, there are many different types of representatives: motivators, doers, planners, communicators, and thinkers, among others. Which role(s) do you see yourself fulfilling?**
